

2017 PPAChicago Golf Outing Charity Submission Form

Event Sponsor

For 14 years, PPAChicago has been fortunate to have the ability to donate Golf Outings profits to local charities. Those charities are submitted by our members and are chosen by the golf committee. In 2016, we donated a total of \$2,000 to 2 charities:

We hope to be able to do the same in 2017 with the generosity of our members through sponsorships and the money raised at the outing during the Auction and Raffle. This is your chance to submit a charity close to your heart and give them a gift from our association.

All submissions must meet the following criteria:

- **The Charity is NOT a National Charity/Campaign – must be local and not funded by a National organization.**
- **Submit an overview of the organization along with their web page and contact information.**
- **The member submitting must be personally invested in the Charity. Please describe your involvement.**

Once the above has been considered, please submit in writing why this Charity should be selected. Send your submissions to PPAChicago by June 9, 2017 for review by the Golf Committee. You will be notified shortly after that of the chosen Charities.

Please contact the PPAChicago office with any questions.
